

## Floor supported wall lift

### **MD 052W7155K** Floor supported wall lift XXL for touch screen 98 inch, 180 kg - WHITE

This floor lift offers thanks to its three columns extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height. At the back side of the mounting utility, space is reserved for placing a mini PC or thin client.

This product is easily combined with the accessories of the floor lifts (for example five surface solution, soundbar bracket or a compact lockable cover).
