Floor supported wall lift for large format (Touch) displays from 65" up to 86"

Thanks to its double columns, this improved floor lift offers extra stability and robustness for working with touch displays from 65" up to 86 inch, 120kg. The display can easily be adjusted in height with the remote control and the electrical height adjustment is very silent. At the back side of the mounting utility there is space reserved to place a mini PC or thin client.
